

*When we come round*

*the full circle*

*we have*

*a zero*

*may be a BIG one*

*or small*

*but do you mind?*

*As for me*

*I don't, I don't.*

*a circumference of rugged terrain,*

*of lovely pastures,*

*a centreless circle.*

*but do you mind?*

*As for me*

*I don't, I don't.*
