

ER

“The urge to hold  
within finite lines  
the infinity  
of the universe,  
of life and its myriad manifestations,  
of the unending decimals of pi,  
of the boundless joy of the mind  
that keeps probing,  
with restless questions,  
in agony, ecstasy  
and deep meditation;  
creating edifices

ANTHAPURAM

- M. S. Gopinathan
