IISER TVM may modify the bidding documents during the tender process or before the deadline for submission of bids by issuing addendum. This shall be part of the tender documents as well as contract document and shall be communicated in writing or by e-mail/fax. Prospective bidders shall acknowledge receipt of each addendum in writing or by

e-mail/fax to IISER TVM. Original addendum issued by IISER TVM duly signed should be submitted along with the tender documents.

1.10 No other conditions shall be accepted thereafter and the Tenderer shall give a declaration accepting all the conditions given in the Tender.

1.11 Envelope -1 of the tender comprising the Eligibility Criteria will be first opened on **18.09.2014**, 15.30 hrs in the presence of tenderers / authorized representatives.

1.12. The detailed documents furnished by the tenderers will be evaluated to ensure that they meet the Minimum Eligibility Criteria.

1.13. Bidders who meet minimum eligibility criteria will be further technically evaluated only if their bidding capacity is equal to or more than the estimated cost of work put to tender.

Bidding capacity =  $(AxNx2)-B$

Where,

A= maximum value of construction works executed in any one year during last five years taking into account the completed as well as works in progress.

B= Value of existing commitments and ongoing works to be completed in the next 'N'years.

N= Number of years prescribed for completion of the subject contract (N minimum = 1)

The information regarding initial bidding capacity shall be submitted in the format given in Appendix B.

1.14. The bidders satisfying the Minimum Eligibility Criteria and clause 1.13 above will be technically evaluated as per the method indicated hereafter.

1.15. After the technical evaluation the list of technically qualified agencies will be prepared. Envelope – 2 containing the price bids of the technically qualified bidders alone will be opened at the notified time, date and place in the presence of technically qualified bidders or their authorized representatives. Only authorized representative can participate.

1.16. The Tender shall remain open for acceptance for a period of 120 days, from the date of opening of Technical bids.

- 1.17. The competent authority does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
- 1.18. Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
- 1.19. Tenderers are advised to inspect site of work at his own cost and examine the site and its surrounding and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or effect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools and plants, water, electricity access, facilities for workers and all other services require for executing the work unless otherwise specifically provided for in the contract documents. submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and conditions and local conditions and other factors having a bearing on the execution of the work.
- 1.20. Incomplete tender documents are liable to be rejected.
- 1.21. Tenders received late on account of any reason whatsoever will not be entertained.
- 1.22. Registrar, Indian Institute of Science Education and Research, Thiruvananthapuram shall be the "Accepting Authority" hereinafter referred to as such for the purpose of this contract.
- 1.23. IISER is exempted from paying/collecting service tax for services provided to or by the Institute as per Government of India (Ministry of finance), Department of Revenue Notification No. 25/2012-Service Tax dated 20.06.2012 read with Circular No. 172/7/2013- Service Tax dated 19.09.2013.
- 1.24. Any change in the constitution of the contractor's/bidders firm, where it is a partnership firm, as declared in the prequalification documents submitted by the bidders at the time of submission of prequalification documents, should be

disclosed to IISER TVM at any time between the submission of tender and the signing of the contract.

- 1.25. For any further information, the office of the Project Engineer-cum-Estate Officer, IISER, Thiruvananthapuram (0471-2924811) may be contacted.
