

**INDIAN INSTITUTE OF SCIENCE EDUCATION AND RESEARCH
THIRUVANANTHAPURAM (IISER-TVM)
(An Autonomous institution under MHRD, Government of India)**

IISER-TVM invites "EXPRESSION OF INTEREST" from reputed firms for Installing a Bio gas plant at its Permanent Campus (Residential) near Jersey Farm, Vithura, Nedumangal Taluk, Thiruvananthapuram Dist.

The scope of work is as follows.

1. There will be about 1000 inmates in the Campus. The plant is to be installed near the Central Dining Hall. The bio-degradable waste generated from the hostels/residences and the central dining hall shall be the input to the proposed plant and the gas generated is proposed to be used for cooking purpose in the Central Dining Hall.
2. Interested firms who have successfully completed similar project may submit their EOI enclosing details such as copies of completion certificates/performance certificates for similar works handled, financial status and other relevant documents.
3. The selected firm shall also assist IISER in getting subsidy if any from MNRE, Govt of India/other sources.
4. The EOI shall also contain the technical details/feasibility of the proposed installation.
5. Short-listing of firms will be done by an Expert Committee, based on scrutiny/evaluation of EOI.
6. Short-listed firms may be required to give a presentation with regard to their expertise/competence to the Expert Committee of IISER-TVM.
7. Final selection of the firm will be done by an Expert Committee, based on evaluation of offers considering the experience/expertise in similar works. Preference will be given to those who have successfully carried out similar works for Government Organizations. The decision of IISER-TVM will be final and binding in this respect. Tender documents/request for proposal shall be issued only to short listed firms.
8. Selected firm should be ready to undertake and complete the assignment within the time schedule as per the requirement of IISER-TVM.
9. The sealed envelope containing the EOI should be superscribed with "Expression of Interest" and should reach the office of the undersigned on or before 17.00 Hrs on 20th April, 2012.
10. Further clarifications, if any, may be sought from the office of the Project Engineer Cum Estate officer. (Phone 0471-2597446).
