

Applications are invited for Junior Research Fellow (JRF) under project of Department of Biotechnology (DBT), Government of India titled, "***Mechanistic Investigations on Light Induced Crosslinking of DNA Protein Nanostructures***".

Name of the Post: Junior Research Fellow (JRF)

Minimum Qualification & Experience: M. Sc. in Chemistry with a minimum of 60 % marks. Preference will be given to those with published research work of high quality or industrial experience in organic synthesis.

Salary: Rs. 16,000/- plus 20% HRA per month.

Duration: One Year (extendable for another year, on review of performance)

How to apply: The application should follow the format provided with this advertisement. Incomplete applications or those that do not meet the minimum criteria will not be considered. Mere fulfilment of qualifications/experience requirements does not entitle a candidate to be called for interview. Only shortlisted candidates will be called for an interview. No TA/DA will be paid to attend the interview. Completed applications should reach the undersigned on or before 16/08/2014 preferably by e-mail (mahesh@iisertvm.ac.in). No communications in this regard will be entertained from candidates.
