

### Advertisement details

Applications are invited for Junior Research Fellow (JRF) under project of Department of Biotechnology (DBT), Government of India titled “High fluorine content DNA micelle: A universal “OFF/ON” <sup>19</sup>F-NMR-based probe for the detection of miRNA and Telomerase for cancer diagnosis ”.

**Name of the Post:** Junior Research Fellow (JRF)

**Minimum qualification & experience:** M. Sc. in Chemistry with a minimum of 60 % marks. Preference will be given to those who have previous experience in DNA synthesis.

**Age limit:** Below 35 years

**Salary:** Rs. 25,000/- plus 8% HRA/month

**Duration:** One year (extendable for another year on review of performance)

**How to apply:** Interested candidates may send their detailed CV with academic qualifications and research experiences to the undersigned (reji@iisertvm.ac.in). Candidates are requested to apply only online. Mere fulfillment of qualifications/experience requirements does not entitle a candidate to be called for interview. Only shortlisted candidates will be called for an interview. No TA/DA will be paid to attend the interview. Completed applications should reach the undersigned on or before 17/08/2019. No communications in this regard will be entertained from candidates.
