INSTITUTE LECTURE

# Innovation in Research & Education

## Challenges and Opportunities

SPEAKER

**Prof. Sourav Pal**

FNA, FASc, FNASc, FRSC

*Director*

*Indian Institute of Science Education and Research  
Kolkata*

YouTube Livestream: <https://www.youtube.com/iisertvm>

**Date** - 15<sup>th</sup> November 2021

**Venue** - BSB Seminar Hall

**Time** - 4:30 PM

(High Tea @ 4:00 PM)

## ABOUT THE SPEAKER

Prof. Sourav Pal is a distinguished theoretical chemist. He has contributed immensely to computational materials science and methodological and conceptual developments in many-body electronic structure theory and density-based chemical reactivity. He is currently the Director of the Indian Institute of Science Education and Research (IISER) Kolkata. Prof. Pal also served as the Director of the CSIR-National Chemical Laboratory (NCL) Pune during 2010-2015. After a long stint of 33 years as a scientist at NCL Pune, he moved to IIT Bombay as an Institute Chair Professor during 2015-2017.
